

# Responsible company

CERTIFICATE 2020

## Falafel Box Tripla

This company has shown exceptional responsibility towards environment and sustainable values by minimizing their surplus. They are selling their surplus food via ResQ app so that only a tiny amount of their offering ends up as food waste. ResQ Club customers have also awarded this company with the Best of ResQ badge of honor, which signals great quality both among their products and service.

Antti Tuomola, Business development director
